

Missouri Alliance For Freedom 2014 Scorecard

About Our Scorecard

Under the leadership of Ryan Johnson the Missouri Alliance for Freedom has issued a Legislative Scorecard to measure how lawmakers perform on a series of votes related to liberty issues that deal with the size, scope, and proper role of government. Missouri Alliance for Freedom uses a cross-section of archetype votes on core issues that help us gauge a legislator's governing philosophy.

Lawmakers and their offices are notified in advance of MAF's position on the issues scored prior to votes taken on the floor. This notice comes in the form of posting on our website, courtesy e-mails, and social media.
